THE HOUSE OF DREAMS-COME-TRUE

— BY —
MARGARET FIEDLER

"The Spirit of '39," "The Herald," "Herald & Dominion," Ltd., London.

CHAPTER XIII—Continued

She laughed and velvet fingertips

"I'm sure I'm grateful to have you

There was something quite uncer-

ly lightened so that the path of it was

regarding every unmarried man who

As she came she did not give to

that in the light of a perfume

and became, perhaps, her thought

of a lean, dark face, rather stern

and gray-haired, as though from

past thoughts of joy, Jean never

was, that face, rather stern

to the right of sight, she cur-

ly rubbed her bruised fingers sur-

thought and wished heartily that

men were not such an annoyance

"To go with you to the home-

erative Drive, without the opinion

of "by your leave."

She was privately of the opinion

that her horse would have little or

nothing to do with the matter. If this

individual had decided to accompany

her to the park, she would have

been best of the park, she would

have been best of the park, she

would have been best of the park,

she would have been best of the

park, she would have been best of

the park, she would have been

best of the park, she would have

been best of the park, she would

have been best of the park, she

would have been best of the park,

she would have been best of the

park, she would have been best of

the park, she would have been

best of the park, she would have

been best of the park, she would

have been best of the park, she

would have been best of the park,

she would have been best of the

park, she would have been best of

the park, she would have been

best of the park, she would have

been best of the park, she would

have been best of the park, she

would have been best of the park,

she would have been best of the

park, she would have been best of

the park, she would have been

best of the park, she would have

been best of the park, she would

have been best of the park, she

would have been best of the park,

she would have been best of the

park, she would have been best of

the park, she would have been

best of the park, she would have

been best of the park, she would

have been best of the park, she

would have been best of the park,

she would have been best of the

park, she would have been best of

the park, she would have been

best of the park, she would have

been best of the park, she would

would have been best of the park,

she would have been best of the

park, she would have been best of

the park, she would have been

best of the park, she would have

been best of the park, she would

have been best of the park, she

would have been best of the park,

she would have been best of the

particular privilege to help you out of difficulties.

"Well, naturally I'd rather it had

to the matter, but I'm not going

"Of course I do," lightly, she

of demand in the quick question, "I'm

her Burke either frightens me or

his little—everlasting "Burr"—shakes

her head, "reproving" me, and I don't

think that exposes you. You must

"What's it true?" asked her lips.

He laughed shortly.

"Most of the Tormans have run-

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

to the matter, but I'm not going

Collected Watches As Hobby

Ontario Man Searched Half Century

For Desirable Specimens

Watchmaker by trade, John But-

cher, who lives in St. Catharines,

will have a museum, quite

put together, in the collection

of watches, a collection of which was

his hobby for a half a century, and

which he has now decided to give

to the Ontario Museum.

Mr. Butcher, who lives in District 77

years ago, and as a lad came to

Sharon. There he was apprenticed

to a watchmaker, but he became

at first he began to interest him-

self in the collection of the delicate

mechanism of watches. He loved

watching over watches and he

was able to find out the exact

of watches, a collection of which was

his hobby for a half a century, and

which he has now decided to give

to the Ontario Museum.

Large Percentage Of Men In Canada

Wear Ready-To-Wear Clothing

It is certain that a substantial per-

centage of the men in Canada were

ready-to-wear clothing, for an official

survey of the men's factory clothing

industry for 1920, which has just been

published, shows that the total value

of the output of the men's clothing
